

Aero[®] Boxes: Attractive, Secure, & Durable

Aero[®] Boxes

They stand tough to the harshest road environments and they still look great! Whatever you need to protect, you'll find an Aero box that's more than up to the job—or let us custom design a box to meet your exact needs.

Full line of underbody, step, saddle, and tractor boxes.

Door Options

POLISHED ALUMINUM (STANDARD)
TREADBRITE ALUMINUM
MILL ALUMINUM
POLISHED STAINLESS STEEL

Standard Box Lengths Available

24", 36", 48", 60", 72"

Standard Box Height x Depths Available

24" X 24" (IDEAL FOR FLATBEDS)
18" X 24" (IDEAL FOR DROP DECKS)
18" X 18"

Box mounting bracket kits and custom box sizes available upon request.

Most models robotically welded for strength and consistency.

Standard single-door Aero[®] storage boxes look great and protect your equipment for the long haul.

The Aero[®] double door design, features no center post for ease of loading and unloading, with dual T-handle keyed locks.

Inset rubber door seal keeps the weather out. Radius corner eliminates broken seals.

Full length stainless steel hinge for better strength and security.

Special hinge design hides flanges for a professional look.

Constructed of high-quality stainless steel, Aero locks are the toughest in the industry.
