

## Quality and Dependability

SIMPLE AND ECONOMICAL  
ALUMINUM ROLLER REWINDS TARP QUICKLY AND EASILY  
QUICK, EASY INSTALLATION

The Easy Pull Tarp system is incredibly simple and economical. You just uncoil the rope, toss it over the bed, and draw the heavy-duty tarp over the load.

## Simple, Low-Cost Tarping System

An automated tarping system that is economical and simple to operate with all the quality and dependability you expect from Aero. The Easy Pull Tarp is built with the same attention to durability and productivity you'll find in all Aero products.

- Rugged steel or aluminum tarp housing keeps tarp clean and safe when not in use.
- Extruded aluminum roller rewinds tarp quickly and easily.
- Tough vinyl tarp available with or without side flaps. Several different fabrics available.
- Available in widths and lengths to fit any dump body.
- Strong, lightweight extruded aluminum pull bar.
- Nylon cord stands tough in any weather.
- Quick, easy installation.

The Easy Pull Tarp fastens securely at the rear of the dump bed, protecting your load.

**Call Aero For All The Answers.** We make it easy to get the Easy Pull that's right for your needs. Just contact your Aero dealer or an expert Aero customer service technician at 1-800-535-9545. They're trained to handle all your ordering, installation, and application questions. Call today!
